0% Interest Payment Plans

INTEREST FREE

"I want to pay minimum monthly payments, but chip in extra where I can"

You need to make a minimum payment each month. Remember, paying only the minimum monthly payment will not pay out the balance of the plan early, but you have the flexibility to make extra payments at any time. Plans start from 6 months.

BUY NOW PAY LATER

"I want to pay when it suits me"

You don't need to make any payments during the promotional period. However, you can make payments at any time. Plans start from 3 months.

INSTALMENT INTEREST FREE

"I want to keep it simple and pay the same amount every month"

With equal monthly payments, you'll know exactly how much to pay each month. Plans vary and are only available during select promotional periods.

Provided the total balance of your purchase is paid before the end of the 0% interest period, you will not pay any interest on any of these plans on your purchase².
